CHOC HIGH TEA - INVOLVEMENT APPRECIATION

On behalf of CHOC Childhood Cancer Foundation Northern Region we would like to thank you from the bottom of our hearts for your support of our recent fundraising event, the CHOC High Tea.

Your kind gesture of providing us with a stretch tent that accommodated 250 guests at short notice played a vital role in the success of this event especially with the cold and rainy weather we experienced on the day. It kept our guests warm and complimented the High Tea atmosphere. The road to recovery takes great courage and your contribution assist us to raised successful funds to continue CHOC's fully integrated support programme that aims to alleviate as much stress and strain as possible and to ensure that both the children and their families maintain an optimistic outlook that is crucial to a positive outcome. Please see attached the *CHOC High Tea Supporters Acknowledgement* card that was displayed on the guests' tables.

Raising awareness for children affected by cancer and life threatening blood disorders is imperative to improve the survival rate. On its own CHOC can make a difference but with the kind support of individuals and businesses such as **Mzansi Stretch Tents** the message has a more far-reaching and unparalleled result.
